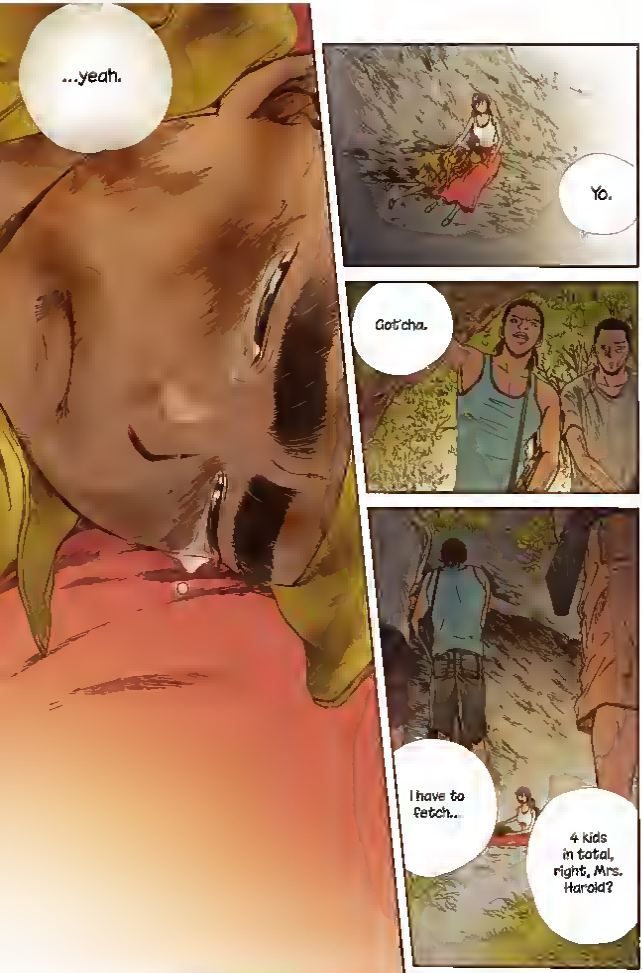
WESTWOOD VIBRATO 시즌 3

윤인완 + 김선희

by Ylab

That's when I realized.
That I never wanted to kill anyone.
That I don't want them to die.
But... it was too late.
There are...
A few survivors left in that village.
The money that I will receive after I turn you in...
Will be given to them.
Well... even if I do that...
I don't have the right to be happy.
When you go pass Africa's boundary,
And drive for 12 hours, you'll come across a lush forest.
And when you climb to the top of the mountain at dawn,
The whole Africa seems like a beautiful embroidery under the shine of the morning sun.

You should go and see that place, Walter
You will think that it's great to be alive



...yeah.
Yo.
Got'cha.
I have to fetch..
4 kids in total, right, Mrs. Harold?

I know it's too much... but please take care of our children.
Don't worry. I'm going there to cool off as well.
